WORK EXPERIENCE

Eastwest Bank – Programmer Analyst
February 2020 – Present
In Eastwest Bank, I have developed console applications and websites using C# and ASP.Net. I also develop programs/modules in the bank's core banking system, in which we had a boot camp and I ranked first.

City Mayor's Office (Lucena City) - Programmer/Graphic Artist/Resident IT/Admin Staff
June 2018 – February 2020
I have been absorbed at the office I worked as an OJT. Assigned me as an Admin Staff and also the Resident IT of the office. With my first application for the office having good impression, more systems have been requested for the office. I have developed more than five applications and became a part of the IT Team for the Government Complex

City Mayor's Office (Lucena City) - OJT Staff
January 2018 – May 2018
Worked as communication document management staff. Also developed a computer program that helps the processes in the office.
